OTTAWA, CANADA

DEPUTY MINISTER 17 ... INTERIOR

MEMORANDUM:

Request for title under the Order-in-Council of the 4th June, 1921, P.C.1821, where duties completed by soldier settler.

RE: S.E.¼ 2-32-20 W.4th (Rd.)
James Baird Trotter.

Subsequent to the initial loan approved in favour of the above named settler on the 20th July, 1920, he secured advances totalling $7,595.89, as follows:-

Land	$4,388.00
Stock and Equipment	1,684.89
Permanent Improvements	1,096.00
Special Advances	426.80

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act as $792.06 of the advances were made subsequent to date of entry. The only other land security in this case is the W.½ 11-31-21 W.4th, title to which is vested in the Director of Soldier Settlement.

Your Department reports that Mr. Trotter has completed the settlement duties for the earning of patent; therefore, in order that he may be in a position to negotiate a sale of the land at a future date, Mr. Trotter has requested that title to the land be issued in the name of the Director of Soldier Settlement. Mr. Trotter is not in residence on the land but there is nothing on file to show that he contemplates abandonment of his farming enterprise.

Pursuant to the provisions of the regulations established by Order-in-Council of the 4th June, 1921, P.C. 1821; and in view of the powers vested in the undersigned under the amendment of 1931 to the Soldier Settlement Act, it is requested that the right, title and interest of His Majesty in the said S.E.¼ 2-32-20 W.4th be vested in the Director of Soldier Settlement of Canada.

A Vesting Order for signature is attached hereto.

Sir,

Since your letter of the 1st instant respecting the claim of Mrs. Charles Stanton to be the legal representative of Francis Herbert Clifford Sutton, and to be entitled in that capacity to all benefits under the South African Volunteer Bounty Warrant, No.7044, was received here there has been received here from Lt. Col. Smith of the Department of Militia and Defence, in response to my letter to him of the 7th instant, of which you were furnished with a copy a copy of the last will and testament of the late Francis Hubert Clifford Sutton. This document was forwarded by Lt. Col. Smith under cover of a letter in which he stated that this document is "the only paper on file in this Department" (Department of Militia and Defence) "which shows who the legal representative of the deceased is." It must therefore be assumed that the marriage certificate referred to in your letter of the 1st instant, was not received in that Department, and as the legal representative of the deceased who is named in such will is Marie - Jeanne Bouthier, his widow, Mrs. Stanton will have to

Permit me to say that there must be some misapprehension as respects that, for, on the 6th September instant, as requested by yours of the 7th, I transmitted to you the burial certificate of the late Captain Albert Patton, and the certificate of marriage of Mrs. Patton to Colonel Stanton, these being two of the documents mentioned in your letter of the 7th.

Sir,

I am directed to enclose, herewith, a copy of a letter of this day's date to Lt. Col. Smith of the Department of Militia & Defence, and also a translation of two of the documents which were received here under cover of the letter of the 8th ultimo from Lt. Col. Smith, namely, the certificate of burial of the late Captain Francis Hubert Clifford-Sutton, and the certificate of the marriage of Miss Jeanne Routhier to Colonel Stanton.

In the will of the late Captain Clifford-Sutton, the name of his widow- then his wife - was given as "Marie-Jeanne Routhier." In the certificate of marriage Mrs. Stanton's christian name is given as "Jeanne" only, and she is described as Miss Jeanne Routhier.

I am, therefore, to state that although it would appear from your letters that Mrs. Stanton is the widow of Captain Sutton further proof of identity is required here. This may be a statutory declaration to be made by yourself upon the enclosed form that the lady described as Miss Jeanne Routhier in the accompanying translation of a certificate of the marriage

Dear Sir.,

I have to again trouble you to refer to your File 2173506, in regard to application of Mrs Jeanne Stanton for Volunteer Bounty.

I send you herewith the land certificate 7072, and also the Instrument Appointing Substitute, and would explain that same has been transferred, but that the party taking over the Grant as Substitute has refused to do so, claiming that Mrs. Stantons signature on the Instrument should read,"Marie Jeanne stanton".

This could be easily rectified, but Mrs Stanton, has just recently sailed to England, I understand however that you can adjust the matter, and C. H. the signature. You are aware that the original application for the Grant was signed "Jeanne Stanton", as per the attached duplicate of the same. It was understood by us that the signature on the Instrument should be the ORDINARY SIGNATURE of the person who has the Grant.

If you would kindly pass this " Instrument", it would be very much appreciated indeed, and I trust that you will advise with regard of papers as much as possible.

Regretting that I have to be troubled in this matter.

Dear Sir:

Re: S.W. 34-24-5-W4

This Department has an old account against the above noted land for advances of seed grain to Wm. McNally in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Wm. McNally,
S.W. 34-24-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $175.50 was advanced to Wm. McNally on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 175.50	$ 391.12	$ 566.62

The S.W. 34-24-5-W.4th was formerly the patented homestead of the debtor on which security he obtained an advance of seed grain in 1920.

In reply to our questionnaire of the 26th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied under a cultivation lease at present and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale."

The information obtained indicates that the land is such that it is unlikely ever to be disposed of by sale and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

C.W. Gilchrist.

Re: Account of Wm. McNally,
S.W. 34-24-5-W.4th.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the lien discharged.

Dominion Member.

OTTAWA, 4th June, 1924.

S.W.¼ 20 - 23 - 19 - W. 4th Mer.,
Pre-emption - John L. Woolley,
Entry granted - 10th June, 1918.
Cancellation proceedings pending.

Mr. Woolley made application for patent on the 3rd January, 1918. A Certificate of Recommendation was issued to him which expired on the 12th August, 1921.

Mr. Cuttle in a letter dated the 4th November, 1922, stated that Mr. Woolley advised him that he was throwing up his pre-emption, and that he could not get a crop, and that he was now in the cartage business in Drumheller, Alberta, and that he wanted to abandon the quarter-section; that there was a loan on the land which he never expected to pay off. The improvements consist of lumber barn, 16 x 24, Horse and cow stable all under one roof worth $500.00; 115 acres broken and cropped three times, crop this year worth $150.00; lumber granary 14 x 16 $60.00. The land is fenced north, west and east sides worth $100.00; one quarter mile road allowance $11.00. The land is a sandy loam, sub-clay. All is broken that can be, and the balance is a grand flat, would make good pasture. Total amount of improvements $1121.00.

In view of this report the case was submitted on the 17th November, 1922, and it was decided to advise the entrant of the terms of the report, and that if he wished to abandon he should execute a form of abandonment. These instructions were carried out in Departmental letter of the 22nd November, 1922.

Nothing further was heard from the entrant, and Inspector Kemsley reported in December last that the entrant had left the locality over two years ago, and was not likely to return; that the homestead had passed into the hands of the Credit Foncier Mortgage Company.

In view of this report cancellation proceedings were instituted on the 1st March last on the grounds of non-payment of the purchase price.

Letters to the last statement from the Land Agents Branch - principal $400.00 and interest $114.24 are outstanding.

An Abstract of Title was filed here which shows that the land is free from any encumbrance.

I would suggest that the entry be cancelled, and in view of the nature of the soil as reported by Mr. Cuttle that the land be granted for leasing.

Cancel & post for settlement.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

To ensure due consideration being given to the claims of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the land as a bona fide homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land in question, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions disentitled to such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the said homestead, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who is entitled to the grant has a prior right of entry over all other settlements, is unable to appear in person in support of his claim, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided further that if the Agent is in doubt as to the genuineness of any claim, he shall not grant entry for the land applied for, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, and if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any person in order of priority under these Regulations.

Re: Account of John M. Wooley
S.W. 20-33-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $410.00 was advanced to John M. Wooley on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 410.00	$ ~~937.41~~ 973.41	$ 1,383.41

The S.W. 20-33-10-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 6th of June 1924, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as sandy and suitable for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

meaning of Section 28 of the said Act, settlement duties are exempted and patent granted forthwith. It is clear from the evidence submitted that Mr. Cartwright is constitutionally unfitted to engage in the pursuit of farming but it is contended by the Board of Pension Commissioners for Canada, that the case is not one which comes within the scope of the Pension regulations, inasmuch as it has not been established there is any pensionable disability, the result of active service.

It has been represented by Mr. Cartwright himself that at the time of his enlistment, his weight was 129 lbs. and on his return, 103 lbs., since when a further reduction has taken place, his weight now being only 95 lbs. This fact would seem to indicate that if not actually tubercular, Mr. Cartwright is in a condition of decline which might, unless proper care is taken, eventually develop into tuberculosis, and to insist upon him undertaking the more or less arduous duties of a homestead, would, it is thought, serve to bring about that condition. In view of his military service, and being desirous of showing him all possible consideration, it is felt that there is justification for submitting the case.

No settlement duties have been performed by Mr. Cartwright in connection with the land.

The Minister recommends, under all the circumstances of the case, that the residence conditions of the entry be waived under Subsection 2 of Section 20 of the said Act, and that patent be granted on fulfilment of the other conditions of the law, provided, however, that the erection of a dwelling house be dispensed with.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Committee of the Privy Council have had before them a Report, dated 3rd December, 1921, from the Minister of the Interior, stating that Walter Edwin Cartwright of Castor, Alberta, who enlished on the 31st April, 1915, with the Canadian Expeditionary Force, made homestead entry for the North East quarter of Section 15, Township 34, Range 11, West of the 4th Meridian, by proxy, on the 30th June, 1916. He was returned to Canada and struck off the strength of the aforesaid Force on the 2nd May, 1919 (Demobilization).

Although, apparently, in no way attributable to military service, it appears since his discharge Mr. Cartwright has developed an inherent tubercular tendency, the progress of which may, with care, be arrested. Medical testimony submitted in regard to the case indicates that in the opinion of his medical advisers Mr. Cartwright is not fitted for farming. Copies of medical documents submitted in this connection are attached.

Entry having been made subsequent to enlistment, Mr. Cartwright is not entitled to credit for military service under the provisions of Section 22 of the Dominion Lands Act and he would req uire, under ordinary circumstances, to fulfil the usual settlement duties.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry was established or until the morning of the following day:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting circumstances to the nearest office of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant he shall not grant entry for the land affected, but refer the matter to the Board for consideration.

35. MEMORANDUM:

Mr. Perrin

S.C. 10-34-11 W.4th M.

The Timber and Grazing Lands Branch have asked to be advised if the Inspector's report of the 9th June last varies with former reports on the above land and if in view of the latest report whether or not this land might be considered of a class which could be disposed of under the grazing regulations.

On the 12th May, 1924, Inspector Cloakey reported that 40 acres had been broken and cropped on the above land but that the balance was not fit for farming and cannot be ploughed on account of stone. He stated that the nature of the soil was stoney clay and 40 acres could be cultivated.

On the 9th June last Inspector Kenbry reported that the soil was low lying clay and the area fit for cultivation nil. In his general remarks he stated:

"This quarter section lies in a low flat with a "stoney ridge through the centre. Forty acres have been broken "and cropped, but since abandoned owing to the fact that it pro- "duced practically nothing, the soil being of a nature unsuit- "able for cultivation. I would therefore say that it is not "suitable for agricultural purposes or for homesteading under the "stock clause of the regulations."

He recommended a grazing lease be granted.

In view of the Inspector's latest report I would suggest that the Timber and Grazing Lands Branch be advised that the above land might be considered of a class which could be disposed of under the grazing regulations.

Dear Sir:

Re: S.E. 10-34-11-W4

This Department has an old account against the above noted land for advances of seed grain to Thorvald Hansen in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Thorvald Hansen
S.E. 10-34-11-4

The matter of an application for adjustment of the balance outstanding against the above mentioned party is referred to me, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1939 seed grain amounting to $176.25 was advanced to Thorvald Hansen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 176.25	$ 426.15	$ 602.40

The S.E. 10-34-11-4 was formerly the pre-emption of the settler whose entry was cancelled on the 7th of April 1941 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 14th of July last, J.A. Patrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

In reply to your letter of May 27th, I may say that when Frederick Plamondon applied for patent for the S. W. ¼ 14-68-16-W 4th Mer., he declared that he was a British subject by birth. He furnished a declaration made before a Justice of the Peace that although he came from Michigan he was a British subject due to his father being a British subject. The father, Joseph Plamondon, when applying for entry for the S.W.¼ 2-68-16 W 4th Mer., on May 4th, 1911, stated that he was a British subject, born in Quebec and had been living in Michigan. When applying for patent he declared that he was a British subject by birth.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Dear Sir.

I would ask you to please expedite the matter of obtaining your ruling in the matter. Other cases have come to our notice to indicate the existence of arbitrary methods of the Provincial authorities. In this case entry was made by proxy and therefore had to be completed by the person appearing before the local office within six months otherwise the entry would have lapsed. It was therefore simply continuous upon a certain act being done. The assessor was made before May 1 and no demand for taxes was made until 1913. As a matter of law the action of the Provincial authorities is illegal, but they seem to care nothing for that. They know that when the owner comes to deal with the land at some future time he will be obliged to submit to this black mail under colour of law, or have to forego using with his property what he would like. It is time this condition should be made clear to the provincial authorities that for their power of action extends over lands of the position Government is to settle of taxation. In this case they have no right whatever to [illegible]

I remain.

Yours faithfully.
